ABOUT RAD

RAD supports and finances regional assets in the areas of libraries, parks and trails, sports and recreation, and arts and culture programs. RAD is funded by one-half of the Allegheny County Sales and Use Tax. Since 1992, the sales tax has generated more than \$3.2 billion in Allegheny County.

As part of its mandate, the RAD Board has adopted an Access and Opportunity Policy designed to enhance the development of disadvantaged business enterprises, such as minority and women owned businesses. The District supports RBE/OWBE trade organizations, tips and technical assistance seminars and provides information about the assets, what they purchase, and how to contact them.

RAD PURCHASING

Allegheny Regional Asset District

(412) 227-1900 www.radworks.org

Contact: Rob Hilde

Office and computer supplies, equipment, consulting services, printer and printing services.

GUIDE TO CONTRACTUAL ASSETS and ANNUAL ASSETS

The contractual assets listed in this directory are organizations that receive major funding from RAD and have ongoing purchasing needs. In addition to these major assets, the District also provides grants to dozens of other organizations. Several are listed here, complete lists is available at radworks.org or from the RAD office.

Allegheny
Regional Asset
District

Allegheny Regional Asset District
436 Seventh Ave. Suite #2201
Pittsburgh, PA 15219
(412) 227-1900
info@radworks.org

Contact the assets directly for more information about business opportunities. The District does not serve as agent for nor does it warrant the creditworthiness of the assets. Feedback on this program and on the response received from contact with the assets is welcome and invited.

Office products and equipment, theater equipment and supplies, cleaning, security and concession services, legal, accounting, consulting, construction management, architectural and engineering services.

Shared Services Department - Pittsburgh Cultural Trust

(412) 471-6070 pctrusts.org

This department increases efficiencies and decreases costs for African American Cultural Center, Pittsburgh Ballet, Pittsburgh CLO, Pittsburgh Opera, Pittsburgh Public Theater and Pittsburgh Symphony Orchestra. Projects include bulk purchases of office essentials, pooled negotiation of health care benefits, districtwide program book production and sales, a shared arts marketing database, and strategic joint marketing efforts.

Pittsburgh Symphony

(412) 592-4813 pittsburghsymphony.org

Contact: Scott Michalski

Office supplies, equipment and maintenance, consulting services, contractors, auditing, mail services, design and promotional services.

Port Authority of Allegheny County

(412) 566-5138 ebusiness.portauthority.org

Contact: Anthony Trona

Port Authority of Allegheny County purchases bus parts, brakes, degreaser, washer fluid, diesel fuel, tractors, forklifts, and rock salt, among many other materials. In addition to competitively bid professional services contracts and construction projects, firms are encouraged to register through the Authority's ebusiness web portal for a complete list of all open bids, and to receive timely information regarding relevant procurement opportunities.

RAD CONTRACTUAL ASSETS

Allegheny County Library Association

(412) 921-1123 adlibnans.org

Contact: Marlon Jenkins

The Library Association serves as a coordinating office for an association of independently owned and operated public libraries. The Association itself purchases some office supplies and consulting services. A list of all libraries participating in this grant is available from the District, or on the ACLA web site.

Allegheny Regional Asset District
436 Seventh Ave Suite #2201
Pittsburgh, PA 15219
(412) 227-1900
info@radwofisher.org

Allegheny County Regional Parks MWDBE Program

(412) 350-4309 alleghenycounty.us/mwdb

Contact: Ruth Bird-Smith

The County of Allegheny General Services Department is responsible for expenditures of millions of dollars annually on commodities ranging from office supplies to

automobiles and sophisticated test equipment. The County also contracts large and small construction projects and for professional services administered through the Dept. of Public Works. The County also utilizes various consulting and other services. The MBE/WBE/DBE department can provide information on procedures used for proposals and purchasing as well as on certification procedures for qualified firms.
